

JOB OPENING APPLICATION DEVELOPER

Application Developer Durango, CO

Location: Durango, CO

Post Date: July 9, 2007

Animas Geographic Technology, Inc. (AGTI) is a Colorado based GIS consulting company specializing in planning, designing, developing, and implementing spatially enabled information systems.

AGTI has a career opportunity for an Application Developer to work as a member of our team in Durango, CO.

Duties and Responsibilities:

This individual will play a key role in the design/development of GIS solutions and enhancements to existing software applications. This individual will perform a variety of tasks relating to the design, development, testing, and documentation of software applications. The ideal candidate will have experience managing application development projects.

- Develops end user GIS applications with .NET (Visual Basic).
- Works within a team of programmers developing desktop, client-server and web applications.
- Utilizes work plans and project schedules for application development projects (MS Project).
- Participates in Project Management activities.
- Analyzes problems and develops creative solutions with minimal guidance.

Requirements:

- BS in Computer Science, Geography, GIS (or related field with computer emphasis).
- 1-2+ years recent experience developing end-user applications with .NET (Visual Basic) preferred.
- Strong knowledge of Windows and Internet applications.
- Strong knowledge of object-oriented programming techniques.
- Knowledge of XML and SOAP a plus.
- Experience with a commercial RDBMS such as Oracle and SQL Server preferred.
- Experience with ArcGIS and other ESRI products preferred.
- Strong interpersonal, written, and oral communication skills.
- Strong troubleshooting, analytical, debugging, and problem solving skills.
- Strong project planning and leadership skills.

For immediate consideration, qualified candidates should submit a cover letter, resume, and salary requirements to Animas Geographic Technology, Inc., 555 Rivergate Lane, Suite B2-134, Durango, CO 81301. Cover letter, resume, and salary requirements may be sent electronically to jobs@animasgeotech.com. No phone calls please.
