

## **JOB OPENING GIS TECHNICIAN**

### **GIS TECHNICIAN Durango, CO**

**Location:** Durango, CO  
**Post Date:** June 18, 2008

Animas Geographic Technology Inc. (AGT) is a Colorado-based provider of geographic information system services. We serve a diverse client base ranging from small private-sector companies to large federal government agencies. We are an ESRI business partner with expertise in custom development and deployment of ArcGIS, ArcPad, ArcIMS, and ArcSDE. Services include geodatabase implementation, custom application development, custom cartography, data collection, needs assessment, implementation planning, implementation assistance, database design, and training. We offer an informal, team-oriented work environment, competitive salaries, and a competitive benefits package.

AGT has a career opportunity for a GIS Technician to work as a member of our team in Durango, CO. We are seeking a candidate who can begin immediately.

#### **Duties and Responsibilities:**

This individual will provide technical support in GIS and GPS technologies to both staff and clients. The ideal candidate will have a background in GIS, geography, computer science, or a related field.

- Provides GIS and GPS support for staff, partners, and clients.
- GPS data collection and post processing
- Develops hard copy and digital maps
- Performs edits to and analysis on spatial data sets
- Performs analysis on spatial data sets
- Analyzes problems and develops creative solutions with minimal guidance.
- Works within a team to promote AGT's business objectives.

#### **Requirements:**

- Excellent communication skills
- Basic understanding of GIS concepts
- Proficiency with ESRI ArcView software (tabular queries, spatial queries, spatial analysis, editing, cartographic output)
- Basic understanding of relational database structure and design
- Proficiency with windows-based computing environment
- Proficiency with Microsoft Office software
- Petroleum business experience is a plus
- Application development experience is a plus
- Must have a valid driver's license for the state of residency
- Must comply with AGT's Health and Safety policies and procedures

For immediate consideration, qualified candidates should submit a cover letter, resume, and salary requirements to Animas Geographic Technology, Inc., 555 Rivergate Lane, Suite B2-134, Durango, CO 81301. Cover letter, resume, and salary requirements may be sent electronically to [jobs@animasgeotech.com](mailto:jobs@animasgeotech.com). No phone calls please.
