## **Animas Geographic Technology, Inc. Moves to New Location**

**Durango, Colorado – September 2006** – Animas Geographic Technology, Inc. (AGTI), a GIS consulting company specializing in planning, designing, developing, and implementing spatially enabled information systems, announced that they have moved into new offices in Durango Colorado. The new office space follows AGTI's success in several new contract awards and will provide space for AGTI's continued growth.

AGTI Office at  
Rivergate Durango

AGT will occupy a new commercial unit located at 555 Rivergate Lane, Durango, Colorado, 8130. AGTI's unit (B2-134) is located on the first floor of the Rivergate development which is on the Animas River just south of downtown Durango.

The new space will house all of AGTI's operations and allow the company to better serve local and nationwide clients.

"Continued growth has created the need for the expansion and move." said Aaron Robinson, President of AGTI, "We have seen steady growth in revenues each year since inception of the company and all indications point to marinating this growth trend."
